

To Whom It May Concern:

I am with the Property Management firm for HealthPartners Corporate Offices located at 8100-34<sup>th</sup> Avenue South, Bloomington, MN 55245.

Our curtain walls consist of three (3) towers each fourteen (14) stories high. Final Touch came out to our facility and used the Sky Pro Window Washing Machine on one of our towers. I was very impressed on the quality of work it performed on our glass. It cleaned not only the window areas, but the corner frames and sides as well.

I would highly recommend this to any facility looking to have professional cleaning done on their buildings.

Sincerely,

Michelle Zmuda
